

WITH YOUR HELP – WE ARE DOING IT!

As Industrial & Manufacturing Alumni, we are committed to supporting students in need of financial assistance to achieve their educational goals and become productive citizens of Pakistan. We will be awarding scholarships to Industrial and Manufacturing students to help them achieve greater financial self-sufficiency.

Our Accomplishments

- Our support commenced with assisting **1 student** in Spring 2018, and to date, we have granted **225 scholarships**. In Spring 2026, we will support **13 students**.

The Scholarship

- The scholarship amount is **Rs. 46,000**.
- **13 scholarships** will be awarded in Spring 2026.
- Scholarship decisions will be based on three main criteria: **financial need, academic merit, and recommendations from IM faculty**. The scholarship will be granted following a thorough evaluation of all submitted mandatory documents.

Eligibility Criteria

- All existing enrolled students of the Industrial & Manufacturing Department (FE, SE, TE, BE), who may require financial assistance.
- **Due to the high demand for the scholarship, applicants who have already been awarded other scholarships will be ineligible to apply. Your profile will be rigorously verified by both the IMD Department and the NED Department of Student Affairs. If it is discovered that you have misrepresented or falsified information regarding any current or previously awarded scholarships, you will be permanently disqualified from future applications and blacklisted.**

Application Process & Important Dates

- Request the application form and provide all requested information and supporting documents. To request the application package, please email initiative_im0708@outlook.com
- Submit the completed application along with all requested documents by **Dec 07, 2025**. Send your application to initiative_im0708@outlook.com
- Scholarship recipients will be notified via email by **Dec 14, 2025**.
- Scholarship funds will be disbursed by **Dec 21, 2025**.
